

October 2014

## News from the Snoqualmie Library and your librarian, Jenifer Loomis

Greetings to teachers, school librarians, staff and parents! Would you like to bring your students for a library tour? Have a librarian visit your classroom? Please contact me: [jaloomis@kcls.org](mailto:jaloomis@kcls.org), 425-888-1223.

### Upcoming Events at Your Local Libraries:

#### [Star Wars Reads Day](#)

*Saturday, October 11, 2:30-5:00pm*

*North Bend Library*

All ages welcome.

Celebrate Star Wars and books!

Join in the fun- come in costume and participate in crafts and games.

The program will end with a show by Charlie Williams, The Noiseguy, at 4pm. He will parody the Star Wars movies with his collection of nostalgic Star Wars toys with reenactments of classic scenes and hear amazing vocal imitations of a wookiee, a walker and a windu. You'll learn some cool sounds too!

#### [Build a Robot Puppet](#)

*Tuesday, October 28, 7pm*

*Snoqualmie Library*

Design and build your own moveable robot puppet. Choose from a large variety of components to make your robot unique. No batteries required! This program is designed for adult-child pairs, with children between the ages of 8 and 18.

*Registration required. Please only register ONCE for each adult-child pair, using the adult's name and contact information. Registration begins October 14.*

### Coming in November:

STARS Workshop for Parents and Child Care Providers:

#### **Fabulous Felt Board Fun!**

*Saturday, November 01, 1:00-3:00pm*

*North Bend Library*

Please [register](#).

#### [Baba Yaga and the Bag of Gold Puppet Show](#)

*Fall City Library and Snoqualmie Library*

#### [Holiday Magic](#)

*North Bend Library*

### System-wide Events

**[MAKE](#):** This fall, encourage students and families to unleash their creativity while strengthening their science and technology skills by taking part in STREAM-based Maker programs offered throughout the King County Library System. From nature journals to robotics, there's something for everyone!

### Homework Help Site

**[Tutor. Com](#):** Live help from professional tutors is online from 2 pm-midnight daily, in either English or Spanish, available for grades K-12 and adult learners. Now offering tutoring in Spanish for those studying the language. See all Homework Help options: [www.kcls.org/homework](http://www.kcls.org/homework)

**[Study Zone](#):** Need homework help? Students in grades K-12 can get free help at the library from volunteer tutors. Schedules vary by location as well as availability of language & subject specialists.

Get your library card and unleash the power of our **[Bibliocommons](#)** catalog. Learn more about **[adding ratings, comments and other content](#)** to the new catalog, then build **[lists](#)** for students and staff to better support your curriculum.

With the return of fall, **[Story Times, Kid's Programs & Play Groups](#)** are back in full swing. See what your local library is offering for children from birth through school-ages and their families, even story times in world languages.
