

VAPING: What Elementary School Parents Need to Know

March 21, 2019

6:30 - 7:30 pm

Cascade View Elementary- Multipurpose Room
34816 SE Ridge St, Snoqualmie, WA 98065

Come learn about vaping and how children are being targeted! Experts will discuss emerging trends, the health effects of vaping, and tips on how to talk with your child about this topic. This event is for PARENTS ONLY.

Topics will include: Safety concerns. What the risks are. Types of devices people are using. Can devices be used to smoke marijuana?

Presenters:

▪Margie Blackmon, RN, MSN, MSHS School Nurse ▪Kim Stonebraker, Snoqualmie Valley Police Department, School Resource Officer ▪Shauna Jacobs, M.Ed., MSHS School Counselor ▪Erica Healy, MSW, LICSW, CDP, MSHS School Social Worker
